

# The Winning Ticket

November 4th , 2006 Breeders Cup edition.

RACE 3 Breeders Cup Juvenile Fillies	
# 3 Cash Included	Cash Included learned how to rate and relax just off the pace in the Oak Leaf stakes. That type of education will move her forward aggressive jockey and will use her tactical speed to keep a good stalking position. She the boys in a turf race
# 1 Dreaming Of Anna	
# 4 Octave	
# 10 Her Majesty	
and does own a victory on the main track- Main danger to the top choice.	

RACE 4 Breeders Cup Juvenile Colts	
# 9 Circular Quay	Circular Quay will have his work cut out in this race. Speed has been very important since Wednesday and he is a closer. He can't think he liked the rubber track at Keeneland. He owns two wins at this track and now C.P West will be tough also
# 5 C.P West	
# 3 Scat Daddy	
# 2 Stormello	
Stormello liked the two turns and ran down Principle Secret and Scat Daddy ran down a good one at Belmont at a 1-1/16.	

RACE 5 Breeders Cup Filly and Mare Turf	
# 7 Wait A While	Wait A While is a three year old taking on some very good older fillies and mares. She has an awesome turn of foot and I believe Film Maker. Wait A While came home in 11-2 at Saratoga and will need that type of males and has been very competitive. Film Maker was just nosed out by Honey Ryder at a 1-1/4 and could reverse that going 1-3/8.
# 2 Ougi Board	
# 4 Film Maker	
# 5 Honey Ryder	

RACE 6 Breeders Cup Sprint	
# 4 Henny Hughes	Speed has been very important early on in the Churchill meet. We will go with Henny Hughs to beat Bordonaro in what could be years I would choose a closer to pick up the pieces but not this year. McLaughlin has and I believe he can win .
# 6 Bordonaro	
# 11 Siren Lure	
# 10 War Front	
If the race does fall apart look for Siren Lure or Thors Echo to have a chance to win.	

RACE 7 Breeders Cup Turf Mile	
# 3 Araafa	Araafa lost a close one to George Washington who is regarded by many to be the best horse in Europe this year. That race was much tighter for this engagement w/ Gorella. She was the best horse in this race last year making one last run. Aragorn is the best U
# 12 Gorella	
# 7 Aragorn	
# 9 Rob Roy	
Numbers 1,4,6,9 are horses to use in your exotic bets.	

## WinningGoneWild.com

THE WINNING TICKET (November 4th, Churchill)

RACE 8 Breeders Cup Distaff	
# 3 Healthy Addiction	I think Victor will sit just off the pace with this inside draw. She has tactical speed and has won two races in a row out West. He looked beautiful on Saturday during her last prep. Pine island is a three year old, and Indian was the recipient of an recipient of an excellent draw and could make it nine straight if everything falls perfect for her.
# 2 Pine Island	
# 7 Fleet Indian	
# 9 Pool Land	

Race 9 Breeders Cup 1-1/2 Turf	
# 7 Hurricane Run	Hurricane Run seems to have tailed off slightly but he is still the best horse in the race. He lacked room in the Arc and it was too the pace which isn't an ideal position for him. Look for Kinane to sit third or Fourth powerful move in the ManOWar. Scorpion could surprise everyone if he is healthy and can move forward off the lone prep race.
# 6 Cacique	
# 4 Scorpion	
# 10 English Channel	

Race 10 Breeders Cup Classic	
# 3 Bernardini	Bernardini is just simply the best horse in the race. I honestly can't remember the last time I heard so many trainers saying they tactical speed and I believe Castellano will send him to the front to stay out of trouble interseting to see if George Washington
# 11 Invasor	
# 8 Lava Man	
# 4 George Washington	

Longshot	Report
3rd Race- #4 Octave for local owner has Gomez on Board and looks like she will like the distance. Can sit off pace and be a danger!	
6th Race- #11 Siren Lure is the best closer and at 10-1 has a chance fig wise to pick up the pieces if the speed doesn't hold up.	
9th Race- #4 Scorpion - Comes off a prep race w/ this event in Mind. Has back class and might surprise 2nd off the layoff.	
10th Race- #11 Invasor - Missed his prep race because he was sick but is working great. Has a lot of heart and is could surprise.	

European	Report
5th Race- #9 Satwa Queen will get 1st time lasix and just finished a game second in the Prix de l' Opera in France. Tough assignment and her time form ratings have been are a couple of lengths slower than Ougi Boards. Play in the exotics.	
7th Race- #1 Ad Valorem will get lasix again and had a good prep race in the Woodbine mile. Has a chance in this wide open race.	
7th Race- #9 Rob Roy had a very good last race against Pride and will be closing late under Dominguez, another with a chance!	
10th Race- #4 George Washington- Trainer O'Brien states he is the most brilliant horse he has ever trained- a must use in exotics!
